

Membership Benefits

- Journal of Feline Medicine and Surgery (JFMS)**
AAFP Membership includes a monthly subscription to the JFMS. Veterinarian members receive 12 print issue/online access, which retails at \$433/year for print/\$959 combined. Access past issues, download full PDF issues, and search for specific articles or key words in the Member Center.
- AAFP Virtual eConference**
Members receive exclusive rates for this dynamic, live Virtual eConference to experience world-class CE from the comfort of home or office. By joining via a secure website, attendees are connected to distinguished speakers who are presenting on feline-specific, cutting-edge topics and answering questions live. Virtual attendees from all over the world will achieve the same educational outcomes as those who attend onsite conferences, including the chance to increase learning by interacting with fellow attendees. All that is needed is a stable internet connection and a computer or electronic device.
- Cat Friendly Practice® (CFP) Program**
The AAFP's CFP program is a global initiative designed to elevate care for cats by reducing the stress for the cat, caregiver, and also the entire veterinary team. It provides veterinary professionals with tools and resources to integrate a feline perspective into their practice. Approved CFPs receive access to a toolkit and continuous educational resources. The AAFP's CFP program is available for practices in North and South America, as well as the Caribbean. The ISFM's Cat Friendly Clinic (CFC) is available to all other locations outside this region. For more information: visit www.catvets.com/cfp.
- Cat Friendly Certificate Program**
Members will receive exclusive access when the program launches in 2020. The program consists of individual certificates for each member of the veterinary team designed to expand feline knowledge and best in-clinic practices. Individuals will go through a series of online modules based on their role in the veterinary practice.
- Feline Weekly Electronic Newsbrief**
This electronic newsbrief delivers timely industry and association news directly to members' inboxes every Tuesday.
- The Scratching Post Newsletter**
This bi-monthly e-newsletter keeps members informed of the latest AAFP news and events in addition to providing valuable feline scientific content.
